Best Thing in Life.
Marriage is the best thing in human life.—Dr. W. R. Inge.

Australasia's Magnitude.
Australasia embraces 3,288,000 square miles.

There's a Reason.
Wilfred—Ma, I wish I was cross-eyed.

Mrs. Gustava—What makes you wish such a foolish thing, my dear?
Wilfred—Why, then I could stand on the sidewalk and watch a parade coming and going at the same time, without injury.

Burglar Bill (to wealthy grocer)—
"Now, then, out of it, and do this little lot up into a parcel. I never was no hand at that kind of thing."—Comic Cuts.

Let Your Light Shine.
Beware of that terrible expression, "I keep myself to myself." A self is not worth much if it is kept to itself.

Biggest Liar of All.
The biggest liar of all is the tramp beggar and petty thief. This Munchausen of the highways lives by lying of a weak, silly, romantic sort and by petty swindling. Charity can stretch a long way with such petty pretenders, for they often go into pronounced incurable dementia, the worst form of bughouse. All habitual liars are, of course, in some way or another, moral idiots—except the Japs, who lie for politeness, well knowing that truth makes trouble.

"Title Talks"

The Business of Abstracting

The business of Abstracting titles is of comparatively recent growth. As lands increase in value, the need of title security becomes more and more imperative.

It is just as sensible to safeguard the title to a thousand dollar vacant lot or to any other property, as it is to keep your thousand dollar bond under lock and key.

PROTECTION IN EITHER CASE IS THE THING SOUGHT.

Good titles make real estate as negotiable as stocks and bonds.

There is no way of being sure about the title except by the help of an abstract by a reliable company.
